

For Roofing Your Poultry House

you want a covering that will keep out the winter cold and summer heat; a roofing that will not crack, run, rot, warp, rust or leak. Let us show you the best roofing we know of—

RU-BER-OLD
ROOFING
COSTS MORE—WEARS LONGER

We recommend **RU-BER-OLD** because we know that if you use it you will get satisfactory service. Our customers who have used **RU-BER-OLD** tell us that it has saved them many repair bills. **RU-BER-OLD** costs more than low-grade roofing, but it is cheaper by the year. **RU-BER-OLD** roofs laid more than 20 years ago are still weather-proof.

GRADUATES INCREASE BY 100
Approximately 900 students will receive diplomas this spring from the Ohio State University, according to recent figures, which are, however, subject to change. This is a gain of 100 over last year's graduates. The three colleges of Agriculture, Arts and Engineering, lead in the order named. The totals of the colleges are as follows: Agriculture 216, Arts 175, Engineering 112, Graduate school 92, Education 62, Medicine 60, Veterinary Medicine 40, Dentistry 33, Pharmacy 27, Homeopathic Medicine 7.

The degree of Doctor of Philosophy will be awarded to three students this year. More advanced degrees will be given this year, than ever before, according to Dean William McPherson of the Graduate School. Last year 67 were granted as compared with the 92 of this year.

The College of Education graduates three times as many men this year as last year, according to Dean George W. Knight of this college.

OBITUARY.
The funeral of Mrs. Carrie Louise Hartman, wife of Joseph Hartman, was held from the Friends church at Long Lake Friday afternoon at 2 o'clock. The music was rendered by Rev. Folger, Misses Gladys and Alma Riley and Mr. Riley of Traverse City. Mrs. Hartman's maiden name was Carrie Louise Bailey. She was born in Hillsdale county, Michigan, July 7, 1874, and departed this life April 5th, 1916, aged 41 years, 8 months and 28 days. She was married to Joseph Hartman, May 16th, 1891. She was converted and united with the Disciple church at Wauseon, Ohio, when she was 16 years of age, and was a faithful member of that church until four years ago, when she united with the Friends church at Long Lake. She leaves a husband, three children and one grandchild, all living at Long Lake; her mother, Mrs. Snyder, of Pittsford, Michigan, also a number of other relatives and a host of friends to mourn her loss.

That the United States Marine is renowned in his reading and does not care for the froth of modern fiction, is the report of barracks librarians for the year of 1915. Soundings taken of his literary tastes show "deep stuff" and no bottom, for Guizot's "History of Civilization" found greater favor with Marines than any other book in the various libraries of the Marine Corps.

Although thousands of volumes of featherweight "best sellers" teetered on the library shelves, the sea-soldier showed preference for works of purely historical or educational value and Shakespearean outpour Mar-ryat, while Fenimore Cooper ran a bad second to Oliver Goldsmith, the librarians say.

Dangers of Draft.
Drafts feel best when we are hot and perspiring, just then they are most dangerous and the result is Neuralgia, Stiff Neck, Sore Muscles or sometimes an attack of rheumatism. In such cases apply Sloan's Liniment. It stimulates circulation to the sore and painful part. The blood flows freely and in a short time the stiffness and pain leaves. Those suffering from Neuralgia or Neuritic Headache will find one or two applications of Sloan's Liniment will give grateful relief. The agonizing pain give way to a tingling sensation of comfort and warmth and quiet rest and sleep is possible. Good for Neuritis too. Price 25c at your Druggist.

I have on hand four car loads of buggies. Your attention is called especially to the celebrated Cron and Eckhart buggies. Besides these makes I have two car loads of buggies taken from a bankrupt stock at very low prices. Come in and secure a bargain, as these buggies will be sold at bargain prices.
